

Tomorrow -- the Final Day

Of Our Record-Breaking Before-Stock-Taking Sale

Tomorrow we bring to a close one of the most successful sales we have ever conducted. By this we mean that customers have been given greater values, we have done an enormous amount of business and accomplished our purpose--that is, reducing stocks we did not wish to carry into inventory. For tomorrow, the final day of this sale, all items previously advertised will continue in force.

In addition, we have selected special items that are most unusual for tomorrow only.

Handkerchiefs 2 for 5c

5c is the price you usually pay for such handkerchiefs as these. In fact, that is what we have always sold them for. But, we find we have 100 dozen more than our stock demands, so we place them on sale tomorrow at 2 for

More Chicago Riots. Chicago, Ill., Dec. 30.—Rioting of the striking garment workers which ceased the week before Christmas, was renewed yesterday. Five hundred strikers most of them women and girls, braved a snowstorm, marched to the tailoring shop of Hildebrand & Company and shattered most of the windows. A riot call brought several wagonloads of policemen who rushed the strikers. Two men were arrested. Many of the strikers were beaten with clubs before the mob was dispersed.

German Balloons Protest. New York, N. Y., Dec. 30.—The Lower Rhine Aeronautics association of Germany has decided to protest the award of the James Gordon Bennett cup to Alan R. Hawley, winner of the last international balloon race, because the American Aero club did not enter its contestants two months in advance of the race, and again, charging that Hawley failed to furnish documents attesting his landing place. Hawley summarized in a sentence his opinion of the decision. "They're awful hard losers," he said.

Any employer causing a lockout becomes liable to a fine of \$10 for each employee deprived of work.

No Reconciliation of Cudahys. Kansas City, Mo., Dec. 30.—A recent report that J. P. ("Jack") Cudahy and his divorced wife, Mrs. Edna Cudahy, had met in Pasadena, Cal., and were about to effect a reconciliation is denied emphatically by Mrs. Cudahy, who is here. Cudahy, who is in Pasadena, has denied it, too. "It is absolutely false," declared Mrs. Cudahy. "I intended going to Pasadena for the holidays but was unable to do it. I shall go in two or three weeks. Reports of a reconciliation either present or prospective are painfully ridiculous."

Hot Chocolate with whipped cream and cake. Elite Confectionery Co.

Boy Kills Grandmother. Juneau, Alaska, Dec. 30.—John Borbridge, a ten-year-old half breed, son of "Cordwood" Jim Borbridge, killed his grandmother with a hatchet at Douglas yesterday. The boy had been severely scolded by his mother and flew into a passion. His grandmother attempted to quiet him, whereupon the enraged boy seized the hatchet and attacked her, striking her three times on the head and killing her instantly. The boy was arrested.

Martin, founder of the town of Bisbee, Ariz., was found dead in bed at his home here yesterday with the gas escaping from an unlighted heater in the room. TAKE HOTEL MEN AND CLAIMS ALONG

Gets Rid of One in Phoenix and Takes Another to Fresno.

Phoenix, Ariz., Dec. 30.—Accompanied by manager Drace, of the Phoenix, Ariz., hotel, who had a financial interest in the welfare of the company, due to a stop at his hotel, the Friedlander Musical Comedy company struck Phoenix this week. It played two good houses here, lifted some of its financial burdens and has departed for Fresno, Cal., accompanied by W. C. R. Matchan, of Phoenix, another hotel man, who hopes to collect his interest in the company at that point. The Friedlander Musical Comedy company had an unprofitable week's tour of the Kelvin-Winkelman country and when the company reached Phoenix the problem of keeping the wolf from the door was one to be immediately attended to. The two nights in Phoenix proved a Godsend to the company. It presented "The Bishop" to a well filled house the first night, and with the proceeds settled with the Phoenix hotel manager and paid other pressing claims. The second night was also a good one and almost put the company on its feet, enabling it at any rate to proceed to Fresno with no greater incumbrance than Mr. Matchan and his claim. It is said the company has six weeks' engagement in Fresno, with a guarantee.

Only One "BROMO QUININE." That is LAXATIVE BROMO QUININE. Look for the signature of E. W. GROVE. Used the World over to Cure a Cold in One Day. 25c.

Tomorrow is Ardin's great sales day. Xmas meat will be on sale.
